Notes: An Account Number will be assigned after application approval. Rates are metered rates set by the Orange County Taxi Administration Program. Current rates are \$2.65 to start and \$2.50 per mile. Wait time or charges while the taxi is not moving are also charged at \$28.80 per hour. No Show Fee is \$10.00 when notice of cancellation is not provided within 30 minutes. Minimum charge for a voucher trip is \$10.00.

I am an authorized representative for the company above and authorize A White and Yellow Cab to bill the company on a month to month basis. A credit check may be required for guarantors or signers on the account. We utilize and submit information to the major credit bureaus and Dun and Bradstreet. Failure to meet obligations may result in negative credit information supplied to the bureaus.

Billing may be done on a monthly or quarterly basis. The corporation or business agrees to be responsible for payment of any and all services utilized by passengers who hold vouchers or know the account number. Callers scheduling trips under the voucher system must identify their account number at the start of the conversation with dispatcher or operator taking the call.
